

Introduced by Senator Ashburn

February 24, 2006

An act to amend Section 14600 of the Government Code, relating to state government.

LEGISLATIVE COUNSEL'S DIGEST

SB 1741, as introduced, Ashburn. Department of General Services.

Existing law establishes the Department of General Services, and generally describes the centralized services to be provided by the department with respect to state buildings and property, among others.

This bill would expressly include the inventory of state buildings and property within that description, and would make various technical, nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 14600 of the Government Code is
2 amended to read:
3 14600. The Legislature declares that ~~a~~ *the* centralization of
4 business management functions and services of state government
5 is necessary *and desirable* to take advantage of specialized
6 techniques and skills, provide uniform management practices,
7 and ~~to insure~~ *ensure* a continuing high level of efficiency and
8 economy. ~~A~~ *The* Department of General Services is created to
9 provide centralized services including, but not limited to,
10 planning, acquisition, construction, *inventory*, and maintenance
11 of state buildings and property; purchasing; printing;
12 architectural services; administrative hearings; and accounting

1 services. The Department of General Services shall develop and
2 enforce policy and procedures and shall institute or cause the
3 institution of those investigations and proceedings as it deems
4 proper to ~~assure~~ *ensure* effective operation of all functions
5 performed by the department and to conserve the rights and
6 interests of the state.
